

2017-2018 New Programs

K4 Bilingual: FCA will offer a 5-day dual language program. Students in dual language programs are presented with the social and cognitive benefits of bilingualism. They gain a second language, a broader vocabulary, and multiple views of the world. Students will be instructed in both English and Spanish.

Learning Lab

Learning Lab: Students in grades 4-8 seeking additional reading and math support will have the benefit of the following: personalized academic plans, project-based activities, 21st century learning strategies and weekly parent updates. There is an additional fee for this program.

Home Eagles: We are thrilled to partner with our surrounding home school families. Students in grades 6-12 will have an opportunity to take core academic classes, electives and sports.

Middle School Electives: We have expanded our middle school elective offerings. Students will be making their selections during the second week of May.

WATCH D.O.G.S.® is the father involvement initiative of the National Center For Fathering. Inspired by one father's desire to increase male involvement in his children's school and with the help of the school's teachers and administration, WATCH D.O.G.S was created in 1998 at George Elementary in Springdale, AR. Since then, the program has spread to other schools across the nation.
